Ocean Sports Development, Inc., (OSD) the USA Exclusive Licensee of the globally patented Webber Surf Technology, Signs Exclusive Agreement with The Sports Facilities Advisory (SFA)

Ocean Sports Development, Inc looked to partner with SFA when considering multiple wave-pool locations for SFA's expertise in the planning and finance of sports and recreation resorts.

(Clearwater, FL): As a sign of the times in the sport of surfing, [The Sports Facilities Advisory LLC \(SFA\)](#) signed an exclusive agreement with [Ocean Sports Development, Inc.](#), the USA exclusive licensee of the globally patented [Webber Surf Pool Technology](#) this week.

Spurred by the announcement that 2020 will be the first Olympic Games to host surfing – Webber Surf Pools has been racing to bring their patented technology into mainstream America. Ocean Sports Development is focused on creating a business model that will successfully bring Webbers surfing technology to the masses. Webber's approach and focus on sustainable business has created the opportunity to make thousands of epic rides per hour.

Ocean Sports Development Founder and Chairman Anthony Brown remarked, "Our partnership with the Sports Facilities Advisory ensures that every facility will be planed in finite detail. SFA will assist OSD with evaluating locations, financing strategies, and strategic partnerships. They'll also provide our business with market proven expertise in project financing and public/private partnerships to insure long term stable growth."

Ocean Sports Development chose the Sports Facilities Advisory (SFA) as their exclusive partner for all new U.S. pool developments due to their extensive portfolio. Since 2003, SFA has produced hundreds of institutional grade financial forecasts for all manner of sports, events, and recreation facilities.

OSD is in the process of considering long term strategic partners for advertisement, retail and television commercial development prior to the announcement of multiple development locations in the USA.

Said SFA Founder and CEO Dev Pathik, "We are thrilled to be playing such a major role in the development of surfing. This is one of the most exciting changes in sport that we've seen in decades. Surfing can now be brought inland, popularized, and used to produce incredible economic development."
